Audio Visual

The Audio Visual Group encourages their members in the making of AV sequences through education, competition and distinctions

So what is AV anyway?

Ian Bateman, Chair of the RPS AV Group, will explain what AV is all about, and demonstrate how you could showcase your photography in a dazzling new way!

Ian will demonstrate how to make AVs using inexpensive or free software, including :

> *PTE AV Studio*

> *Da Vinci Resolve*

> *Canva*

> *Powerpoint*

> *Suno*
