

Guy Edwardes

"Outdoor Photography Techniques"
Brownsword Hall, 7.30 pm on 27th October

We are both lucky and pleased to be able to welcome local photographer Guy Edwardes back to Dorchester Camera Club on 27th October.

Guy will be showing just over 200 of his superb images and explaining the techniques that he used to capture many of them. Images shown will include landscapes, seascapes, wildlife and macro from around the world, including plenty of subjects taken in his home county of Dorset.

Make sure you get there early for what will be a feast of amazing photography.

Tuesday 28 October - Wessex Battle - Reminder

Members are invited to the annual Wessex Battle which this year is being hosted by Wareham Camera Club at 7.30pm at the Parish Hall, 3 The Quay, Wareham, BH20 4LP. Come and support Dorchester in a battle against the other local clubs. Eight images from each club will be shown and judged by Sue Sibley FIPF, ARPS, EFIAP/g, DPAGB, BPE5*.
